

FIND YOUR PATH

With **Guided Career Pathways**, every door is the right one. Choose from one of seven Guided Career Pathways and find your short-term credentials, long-term programs, or transfer options (to four-year institutions) all while focusing on your career goals. Our new Pathways help you make smart, informed decisions on specific programs and career planning, so you can get where you want to go.

PATHS TO SUCCESS

Pathways are areas of interest that keep you on track with key advising and support. Students take a common first semester of courses to make sure you can shift between programs or credentials in a Pathway without losing momentum. At Durham Tech, your success is our success.

Durham Tech Career Pathways:

- » Building, Engineering, and Skilled Trades
- » Business and Entrepreneurship
- » Creative and Liberal Arts
- » Health and Wellness
- » Information Technology
- » Human Services and Public Safety
- » Science and Math
